July 2017

Youth Events:

I enrolled 15 of my Church youths in a 2 week chess camp. This is a yearly summer sports event held by the City and Sports councils here. There are 2 pictures below from the opening ceremony where the Church children had their photos taken of 3 officials that day. The first is with Mr. Garcia the aid for the Honorable John Saldivar and the 2nd is with Mayor Belisle.

This has been a great time to spend together and bond with the Church children. I took them out for a couple of lunches to a restaurant called the, Dibary. They have a trampoline there for the kids. None of them have ever eaten out there and most never have gone to a restaurant in their life.

VBS Almost:

I met briefly with Jackie Piper and their nephew, Richard. Jackie is a 4th grade Christian school teacher in FL who was born here in Belize. She had contacted me months ago and we had planned to start a VBS at our church during her visit. However, she became very sick after arriving and thinks she might have gotten malaria. In any event, she comes every year for a month and we will plan on doing a VBS next year Lord willing. Please pray for her full recovery & for our future VBS.

All other ministries are going well. There have been a number of salvation profession in the Police department lately. Glory to His name!
