### Piñata:

We had five birthdays this month in our church family so Amy and the kids made a piñata. They actually made two but the first was a Bible and it turned out so well that I couldn't see busting it up. The analogy would have been good because if you beat your Bible by studying your bound to get lots of sweet stuff. Amy and I served everybody. I over did it but it was worth the effort. We had five profess Christ as their Saviour! Glory to God! Thanks for your prayers.

**School Prayer:**

I was delighted to have the opportunity to pray at the PUBLIC high school here in the capitol (Photo Below). The name of Jesus Christ was lifted up and heard by all. Great liberty!

**Another Police Ministry :**

I am very pleased to announce that there is a new door of ministry opened for a weekly time of prayer and preaching here in the capitol of Belize. This time it is to the Special Branch at the Curl Thompson building. The police told me they call it the "Pentagon." This facility is for top ranking police and government officials in policing. I am really grateful that the Lord is allowing me the opportunity to serve as a police chaplain here and I ask that you pray for this great opportunity to glorify Jesus Christ.

Below is a recent picture from when our children came to sing at the Special Forces Police Unit. The officers really enjoyed them singing and it warmed their hearts. I will have to bring them in more often since they were received so well.

As always thanks to all that support us by prayer or finances. If you want to help a our support need [Click this link](#) or send your tax deductible gift to the address below. Remember we are here by faith and did not go on deputation yet.

Thank you for your giving!

Yours faithfully,
