

The Davis Family Evangelizing Belize, CA

February 2017

Church Building:

We are now in a different building! Our Church has been in need of a bigger space to meet not to mention a roof. Lately we have been getting new families and individuals coming so it was perfect timing for us. The picture above and below shows the inside.

New Rental Home:

We moved into a new rental. It is a 3 bed two bath which is an upgrade from our tight 2 bed 1 bath apartment. It is also less money at \$400 US a month. Now we have room to have folks over and a yard for the kids to play on. Would you believe the the police volunteered and helped me move? They have taken great care of their, Police Chaplain (Me) and it was an answer to prayer as I didn't have a truck. Praise the Lord!

Chess Champs:

The boys took all the chess medals at the Belmopan Chess Tournament. They came in first, second and third place. Joshua, six years old took first place with Josiah nine years old taking second and Joseph seven years old taking third place. They were NOT broken up by age groups. All the other players were older teenagers so they are doing excellent. PTL!

Answered prayer:

We are past two interviews for our permanent residence. Also, our volunteer work permit was approved again. We are thanking our Lord and asking that you continue to pray that we will have favor through our process!

The below picture shows Julia passing out tracts at the University of Belize.
