

The Davis Family

Evangelizing Belize, CA

June 2018

Little Mary:

I have been teaching some of our church children the guitar. One of them who wanted to learn is, Mary. She is shown in the featured photo and the one to the right where she painted, "I love Jesus" on her fruit of the spirit lesson. None of us suggested she write this on the paper, she came up with that on her own which shows her attitude. Mary sure has the right name. If anyone could represent her name sake, she does. She is always so sweet and patient. She loves to talk about the Bible and has a very gracious spirit!

Fathers Day:

We had the children make Father's day cards. They were all so very excited to do this. It is a great reminder to give thanks to our heavenly Father.

Public Schools:

Our new school outreach has sadly paused as classes are finished for this year. Our last class was the higher grade class that was graduating this year. They really seemed to enjoy our time. They have now all heard the good news of Christ's FREE salvation. PTL!

Social Security and Health Department:

I have been regularly visiting two different offices at the Social Security Department and one at the Health Department. I will give prayer, Bible and often I sing a special using my guitar. I have seen some of these workers on different occasions were they mentioned that they really enjoy having me come. I am glad the Lord has opened hearts here, the opportunities are endless in Belize!

Police:

The 3 different police departments here are still a very fruitful time spent ministering. The police are all very thankful which is a regular blessing for me.

Thanks to all those who support us by prayer or finances. To partner with us [click this link](#) or send your tax deductible gift to the address below.
