Permanent Residence Update:

I had an appointment about my permanent residence this month. I learned that Immigration had tried to reach me on June 6th. It is an older number we rarely use now. I had the inclination to go a few times back then but I never made the time as time was always a factor. There are four adults in this picture. From the right is, Howell Gillett, Senior Superintendent of police & Commissioner of Supreme Court; Honorable Godwin Hulse, the Chief head of Immigration & Natural Resources for Belize, CEO Jose Alpuche for the Ministry of Agriculture and Fisheries and lastly yours truly. Unbeknownst to me Minister Hulse and I happened to meet at an event for youth. This happened the very same day I had the appointment with immigration. He was able to answer a question I had in this regard. We serve an amazing God! I have now updated my file and I should get a response in the near future. I would ask that you continue to pray about this matter.

Drunkard Saved:

The featured photo above shows, Eliseo Cocom. He works at the special branch police headquarters where I minister every week. I had a passing thought as everyone was entering of, *“Am I really impacting anyone here for Christ?”* Seconds later I asked if anyone would like to share a testimony and Eliseo who never has said much started sharing how he was a drunkard and lived to spend his money every Friday. Eliseo told that he trusted Christ three months after I started coming. He shared how I gave him a Spanish Bible and he started reading it. I knew the Lord had quickly answered my question and blessed my heart at the same time. Please keep Eliseo in your prayers. To God be the glory!

Photo Details:

Mom, Haysee is holding her newest daughter, Hazleen and the baby gifts we gave her.

We made hearts with flour and baked them hard for the kids to paint to remember my message on, The heart of man.

Amy is holding Franklin. He finally came to the children church recently and was so well behaved!
