### Praise Letter!

Thank you all for your prayers on our permanent residence application. This morning I was teaching the Bible at the police intelligence department when I received a call from an unknown number. The thought that came in my heart was, *"Your permanent residence is approved."* Because I was teaching I could not answer. After I was finished teaching the same number came again. I answered to find the amazing news that in fact it was our permanent residence approval call. Thank you Jesus Christ! It was approved in under 2 years which is a very short time compared to all the others I know. This will be an easy date to remember as it is Julia's birthday today. The only down side is it costs \$6,000 USD. However, we serve a mighty God and I know He will provide. We need your help! Please consider contributing to be apart of this wonderful event. You can [click this link](#) to help or send your tax deductible gift to our support address to your right. Please note that we need these funds immediately as we have to pay now. I will update so you as to how much we received. Thanks again for all your prayers in this regard!

Yours Faithfully,

The Greg Davis Family
