## Evangelizing Belize, CA

June 2019

### Vehicle Needed ASAP!:

We NEED a vehicle! I wrote last time about our need for funds for a transmission. God provided! The transmission is now at the border of Belize! Afterwards, the rear control arm bushings went. Again funds were provided! Then on June 19th the fuel pump went out and it is a special order. Since I got this van I have had to replace, the engine, radiator, air conditioner evaporator, alternator, starter, coil, two brake sets, calipers, brake master cylinder, transmission, suspension bushings and now fuel pump to name a few. On top of that, I only get 8 mpg! I was thinking to get a 4 door crew size truck; preferably a Toyota.

Why a truck? The import tax on trucks is 20% but on mini vans or SUV's is 80%. So either someone has or knows of a church or individual that can donate or you all can give enough funds to buy one. It can happen! I gave away a \$12,000 van for a missionary and much more while I was out ministering myself. If I could do this, others can too. This is not just something to pray about but to act on. I do NOT have the funds for a new car. Remember, I did not go on deputation and raise \$6,000 plus a month like most missionaries. I came by faith with \$1,500 a month support and our God has provided! If you can help, here's the link: [click this link](#). Please forward, ask and tell to others. It can happen but only if you dear brothers and sisters act!

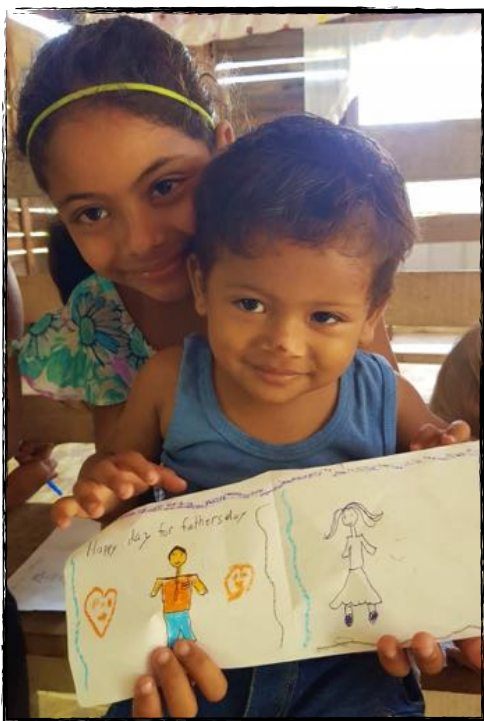

## Fathers Day:

It is a sad holiday here in Belize because a great majority do not live with their fathers. No doubt this is why Belize murder ranks 4th in the world. (#3 in 2016)

Still our crew took time to make a card for their fathers. We had a blessed time doing it and to see the smiles on their faces was so rewarding.

Thank you again for all the prayers and support!

Yours Faithfully,

The Greg Davis Family
