Vehicle Update:

I wrote last time about our need for another vehicle. The need has not been met yet. I would ask you to continue to pray for funds or a donation.

The transmission came in and was installed. The mechanic installed it for free and that was a real blessing! However, it was not identical to the one that was in there and the wires would not connect. I now have all kinds of warning lights on. It also won't go into high gear. Furthermore it is slipping. Other than having reverse it runs worse. I messaged the company to see if they will ship another one. They said they would check and get back with me a week ago but I have not received a response. Pray!

Prayer At National Event:

As a police chaplain here I was asked to pray and hand out honorary awards at the closing of a National event called, Youth Engaged In Agriculture. It is in collaboration with the National Police force and the Ministry of Agriculture. It was an honor to be apart of this great program and get to share the gospel with the hundreds present. Please continue to pray to see souls won for His sake!

The top right shows me handing an award to the Western Regional Commander of Police, Lynden Flowers. Below is the opening ceremony. Top left, I am eating lunch with the Senior Deputy Of Police, Patt who just transferred to a new department.

Chess:

I took some of my church youth to learn chess for 2 weeks. They also helped me pass out tracts to the other students without me asking. Praise God!

At the bottom, a couple I have been witness to stopped by to show me their new born son.

Thank you again for all the prayers and support!

Yours Faithfully,
