Vehicle Update:

I hate to keep mentioning this issue but this is a “prayer letter” after all and I **NEED** you to pray and help with this. I am in Chetumal, Mexico now hoping to have the van transmission and engine issues fixed. We are having a starting problem now. Also, the fuel line came off on our trip and the gas ran out. Thankfully there was no fire and I had the propane conversion to run on. Then our breaks stopped working properly and had become soft. The first garage I took it to couldn't fix it and it is now at another one. So we had all kinds of opportunities to pass out tracts and witness that we normally wouldn't have without these challenges. Praise God! Parts are hard to get here too as the van is US and not Mexico made. Please pray! We still are in need of funds for another vehicle if you would like to donate. I have 2 willing to give so far. Burdens are lighter when everyone lifts. Please [click this link to give or send to the address below.](#)

Recent Salvations:

This time of year the transfers in Belize are complete. Police from every District get transferred to a new District. Some of these are promotions and some are not. It is difficult because many officers have to leave their family behind, rent an apartment and travel home only on the weekends to see their family. There are advantages and disadvantages to this. The greatest advantage is I get to share the gospel with new officers. It has been a blessing to see recent professions for Christ. Eight officers at the Police Academy and seven at the police headquarters. I also go to the Hospital, Health Department and Social Security offices where eight individuals asked Christ to save them.

Thank you again for all the prayers and support!

Yours Faithfully,

The Greg Davis Family
