### Vehicle Funds Accomplished:

Praise God that all the funds needed were given to purchase a good used Ford Escape. It is still being repaired from the collision and will be imported after that. There was also \$1,000 for the butane conversion that came in. We only need \$500. more. If you still want to help [click this link](#) or [send to the address below](#). I am so very thankful to everyone who gave! It was a real encouragement to us and a great test of faith in action. Thank you!

To the right is a mall in Chetumal Mexico where the boys got to play chess with a chess club there. It was a great time to play the game while we were getting our van fixed. We gave every chess player a Spanish gospel tract. The people in Chetumal are very friendly. Few speak English but I had some good witnessing with those that did.

## CHURCH:

There are two new boys in the neighborhood where we meet with our church. They have a sister too and want to bring her next time. They are in the photo to the right enjoying watermelon.

The Aberego family had their mom and sister visiting from Guatemala shown in the photo to the right in their humble house they have here in Belize. You might notice the hammocks. That is what many use here instead of mattresses because they are less expensive.

## RECENT SALVATIONS:

It has been a blessing to see six more police officers make professions for Christ. There has also been seven officers who have asked for prayer for their need of help to be steadfast for the Lord.

## TRACTS:

I pass out tracts as a regular thing. The Lord used tracts in my life to bring me to salvation. I do not always get a response but I know His word does not return void. Sometimes I do not hear about what those tracts did until many years later but when I do it is clear that they made an impact. I received a call from a man named Mr. Bo. He told me he was very glad to get the tract. He said he was trusting only in Jesus Christ for his salvation. I met up with him tow days ago to give him a new Bible.

The last picture is of a Christian radio station we visited on our way back from Mexico.

Thank you again for all the prayers and support!

Yours Faithfully,

The Greg Davis Family
