October 2019

Mike(s) The Atheist:

I have asked you all to pray for about 3 years now for Mike the atheist I met while passing out tracts at the market. Well I still keep in touch with him regularly and ask that you keep praying for him. What I didn't mention is that I met another atheist named, Mike about a year ago and witnessed to him and left him with a tract too. I saw him one other time since then. Now on the 24th of October I saw him in a town about 45 minutes from me. This time he was quite different and he began to tell me that he got married and is going to church regularly. He introduced me to his wife and told her, *"This is the Christian guy I was telling you about."* So evidently my witness impacted him enough to talk about me. The point is we never know what impacts people for Christ but if we don't witness we definitely won't reach them. I had a great long conversation with him and he said he's not there yet but he is open. He lives about an hour from us so I plan to go see him Lord willing. He invited me too so please pray for Mike number two.

CHURCH:

We had a family leave recently because of problems with their relatives that go to our church. They are a good family and have always been a blessing. It is sad but we can see it is no different here then the USA with disagreements. Church is to be a family. We call each other brother and sister and so we are in Christ Jesus yet getting along is a difficult thing many times. I would ask that you pray about this. Other than that all is going well and it is a blessing to see each one being faithful and growing in Christ.

FURLOUGH:

December will mark 4 full years here in Belize. It is hard to believe. I left without going on deputation and came by faith. Well it should not be any surprise that Christ has never failed His promises! I did leave a lot undone and I didn't know if I would still be here serving Him but His grace has allowed it. I will be planing on taking a furlough next year and would love to see as many of you as possible for an update in person. Please keep this in your prayer and feel free to contact me about any scheduling. We will also need funs to fly us all over. Financial help with that is needed soon.

FLAT:

I got a flat tire one Sunday and a group of men stopped to help me. They all got tracts and latter I received a call from one of them. He is a Christian and wants me to come and disciple him and also take him soul winning. The Lord is in control even in the mist of flat times. His name is, Isreal. Please pray about

MIRACLE BABY:

Meet a miracle baby boy born to Mr. Borris who is a worker at Social Security where I minister weekly. I had been praying for his wife to have this him. They figured he might not make it with his wife's condition. God is awesome!

Thank you again for all the prayers and support!

Yours Faithfully,

The Greg Davis Family
