The Davis Family Evangelizing Belize

Happy Thanks-Living

No that was not a typo this time. We need to live with thankfulness above all people on the earth. We had the pleasure to lead and play a special for a pre-Thanksgiving meal. This is a gathering of a number of other christian missionaries and workers here in Belize. We have a potluck meal and fellowship together. It was a great time to catch up and celebrate together. Thanksgiving is not big here in Belize.

Answered Prayer:

To the right is the Escalante family who I have mentioned before. They live near by us. The dad had a stroke this year and has recovered a lot. The picture of the lady in the truck is the mom who had been sick with heart problems. She recovered and they brought her by to thank me for praying for her. We also had them over for dinner with another family. recently. They stop by often and I am thankful for there desire to seek God.

CHURCH:

We had three youths this month trust in Christ for salvation. Kimberly, the girl sitting in the end of the bench in the second picture to the right. She has been coming on and off for years now but started coming regularly as of late. Vivianne, seen in the second picture to the right wearing all pink. She just started coming for the last two Sundays after a couple of invites. To the Left of here is her brother Zeeke who also professed the Lord this month. Please continue to pray for this work.

Police Salvation:

We had eight men and one woman police officer profess Christ recently. Please remember these police that lay down their lives to serve and protect us here. They usually do not wear a bullet proof vests! This is just one way that is a lot different here then the states.

Mike Two The Atheist:

I asked you all to pray as I was wanting to make a trip to visit the new Mike the atheist. Well we ended up driving the over 2 hour trip to his house one Saturday this month. They were very glad to see us and I believe we made some good time connecting. Mike said he is working on it when I talk to him. His heart is definitely soften by God's grace. I am hoping to have a deeper discussion with him on our next visit. Please keep praying for Mike number two.

Thank you again for your giving for the vehicle. It has been a blessing and by my next letter I should be able to give you more details. Thank you again for all the prayers and support!

Yours Faithfully,

The Greg Davis Family
