# The Davis Family Evangelizing Belize

## Returned:

We made it safe and sound back in the good old USA by God's grace!

I was awake for 34 hours straight until I took a 10 minute catnap on the plane then I was up for another 11 hours straight. The next day after six hours of sleep I was up for another 20 hours straight. In all, I felt really good and the Lord had greatly blessed. Praise God!

We are all doing great and are excited to be here again. It is amazing how different it is here now and the technology advancements. I feel like I've been in a time capsule. Please pray as we get settled in and catch up on things here.

## Church Life:

We got to visit the De Dios family. the boys, Josué and Caleb were very close to us and faithful helpers in our Church. The all moved over an hour away because of needing work. The mom and dad said they never have forgotten how the Lord gave them a job the very next day after we prayed. They were very happy to see us and the boys are doing great. There house is the size of a small shed but they are happy. It is a blessing to see that they are joyful even with the little that they have.

## 50 Years for Belmopan:

The Capital of Belize is celebrating being 50 years old this year. I was invited to participate in an event by the Mayor and city counsel. I chose to do a responsive reading from Psalms 127. Many of the high ranking police officers were there. Josiah, Joseph and Joshua sat with the police as they are police cadets. It was a blessed time.

I will miss attending many things and the Mayors office for Tuesday prayer and bible devotions is one of them. The bottom picture was taken at my last meeting there.

Thank you again for all the prayers and support!

Yours Faithfully,

The Greg Davis Family
