

# The Davis Family Evangelizing Belize

August 2020

## Belize COVID:

Belize only had two deaths since we left in February and ruffly stayed at 19 positive cases until this month. Now there are 5 dead and 562 active cases as of 8-21-20. Mind you they don't test unless someone goes to the hospital. Please remember Belize in prayers as their hospitals are not equipped to handle this. The photo to the right shows the police encouraging social distancing.

## Drought, Fire & Floods:

When I left Belize it was in a severe drought. Then there were major forest fires. The lingering smoke was so bad that it lasted for weeks with poor visibility and air quality. Finally the rain came but that turned into severe flooding. The one photo on the right is not a river, it is the street where we meet for church every week. Thankfully all my church family there were able to get safely through this. They sent me videos and it definitely was bad.

## Furlough Life:

The best recent news is, Julia trusted Christ at the end of July! She will be 8 years old in less than 7 weeks. I have noticed her strong prayer life and desire to live and love Jesus and that makes me so full of joy. All my children have trusted Christ and are such a blessing!

I'm sure this time is just as much as a struggle for many of you as it is for me being shut up and not having the ability to evangelize like before. With my health I can't risk traveling just yet for meetings. Still, I have been plenty busy and it has given me time to catch up on many things left undone from

being on the mission field. I'm staying at the Christian Retreat in NY right now which has allowed us a place to stay plus minister. Also, I'm following up with all my doctors.

My children gave me a big surprise for my 50th birthday back in June. The photo to the right shows how they said "Happy Birthday." They cut all the trees and put this together for me quietly and totally surprised me. I am so very blessed!

Please don't forget to pray for us now that we switched from monthly to quarterly letters. We need your continued prayers!

Thank you again for all the prayers and support! We are very grateful!!

Yours Faithfully,

The Greg Davis Family
