The Davis Family Evangelizing Belize

MAYOR'S PHONE CALL:

Many of you know that I have had the honor to meet weekly with the Mayor and City Council for prayer and Bible devotions in Belmopan, the capital of Belize. The Mayor called me this week and extended his kind thankfulness that I had been apart of these Tuesday meetings. I thanked him for the great opportunity to be there during his tenure. I reminded him that there were many needful initiatives and great accomplishments during his two terms. I also encouraged him that the Lord directs our steps and that I was sure he is very thankful for this new position. Mayor Belisle will now take a position next month as a Senator in Belize. This now places him on the National scene. Pictures to the right are of Josiah, Joseph and Joshua with the Mayor and me at the Mayor's office. Please pray for his new leadership role.

BELIZE CHURCH UPDATE:

Some time ago Kristal (To the right, dressed in white at a river) trusted Christ during one of our Sunday church gatherings. I was unable to have some baptisms before I left. I am please to announce that Kristal was recently baptized. Her mother Ruth sent me these pictures.

Franklin & Myrna Estrada just were recently married. (Photo to the right) Myrna recent told me how much they all miss us and want us to come back soon. It blessed my heart to hear that. They have three wonderful children and Myrna said they talk about us all the time. It is a blessing to know that they are all continuing to follow the Lord!

Below is a photo of the Borrís Dominguez family. Borrís works at the Social Security office where I would go to hold a weekly prayer and Bible devotions. Right now during Covid I wouldn't be allowed there so the timing is just right for me to be away on furlough. They are also wanting me to return.

RETURN TO BELIZE GOAL:

I am hoping that the September - October time frame will be a good time to return to Belize but please keep this in your prayers. God's timing is always perfect!

Yours faithfully,

The Greg Davis Family

We are grateful for all your prayers and support!

Do you receive our letter but do not support us? Why not? We need support now. Please consider being a part of this ministry by committing to take us on for financial support. Most missionaries raise support on what they are GOING to do BEFORE they do it. We did not do that and did it differently and went FIRST. We are asking for support now based on what was DONE and will continue to do by God's grace.
