The Davis Family Evangelizing Belize

RETURN TIME-FRAME AND COVID:

We were planing on returning back to the mission-field around, October/November. Right now there is an instability with a third wave of Covid which has been difficult for Belize to cope with.

According to all my doctors, I am at a very high risk of death should I contract it. I have also started a new medication called, Methotrexate. It is a drug used for chemotherapy patients at high levels, and at low dose for autoimmune patients like myself. The hope is that I can get off or lower my prednisone. I have been taking it everyday for seven years straight, which is very harmful. Because both medications suppress the immune response, it can make it hard to fight off Covid. Back in 2015 my doctors told me, *"You can't go to Belize."* I left in faith, and Christ allowed my life to continue and doors to open far beyond what I could imagine. We all desire to return again. I would ask for your continued prayers for my health and wisdom for the right timing.

Please pray for the, Escalante family. (Photo above) They are in Belize and both the husband and wife have Covid. She told me that it's the worst thing she has ever gotten. She is pregnant with her third child so please pray for that too.

All schools except for college are shut down and classes are on online for those that have internet. I really don't know how they can afford it. There is no free internet, and everyone would need to get a computer or phone for each child to be able to watch separately. Many of the families in my church don't even have electric and are telling me it has been very difficult for them.

Church gatherings a very limited along with other gatherings. This is dictated by the Government along with a curfew which remains in effect.

BAPTISMS:

We had a baptism in the lake at the, Baptist Retreat where I baptized, Joshua and Julia. It was a beautiful day and we had a great cook-out and fellowship afterwards. We are so very blessed and I am very thankful that my children love and serve the Lord!

Thanks to all who pray and support us!

Yours faithfully,

The Greg Davis Family
