# The Davis Family Evangelizing Belize

## Made it Safely!

I am very thankful for the Lord getting us back to Belize safely! There were bumps along the way, but in the end, the Lord blessed!

On return we found our \$1,400 DC refrigerator went out. The existing well gives about 10 gallons of water every 4 hours. The place was way overgrown with grass as high as 10 feet tall. The deck had been leaking in on the top floor. The termites ate up a lot of our belongings... just to name a few.

...BUT, we are back ministering!! This is well worth all the challenges! 7 Police officers professed Christ as their Lord! I was invited to come to do weekly bible devotions with the

**new Mayor and City Council. The Health Departments were glad to have us in weekly, as well as all the Police, National security, Home Land Security and Hospital. The Social Security is closed for now. So we are blessed to be able to serve!**

**Thanks to all who pray and support us!**

**Yours faithfully,  
The Greg Davis Family**
