

The Davis Family Evangelizing Belize

January 2022

GROWTH & SALVATIONS:

I am very thankful to see the families from our church plant growing in Christ Jesus! We love to see when children walk on their own two feet for their first time. Spiritually, that is what I have seen and it blesses my heart.

To the right, is a puzzle we gave to the Estrada family. They sent me the picture after completing it. They have been faithful to go to church even during our absence.

I was asked to preach at another church in the capital. There was a man and woman who came forward to profess Christ as their Saviour! Likewise, there were four police officers from the Headquarters who were recently saved.

Below is a man who lives near us. He is seen in this photo caring wood on his back, and wrapped across his head. He carried it to his house from a good distance away. This is the reality of life for many here. They use this wood to cook every meal. Please remember to thank the Lord the next time you cook on your stove!

CROSSING THE BORDER WITH THE CROSS:

From just across the border is a Mexican family in the photo below. I have been continuing to keep in touch with them since 2019. The mother, Claudia is due with a baby boy on March 8th. Please pray for a safe delivery and my witness with them. We are hoping to visit them and others when the border opens next month.

STARIS:

We had two other Belize missionary couples graciously go way overboard and help us build stairs for our mission house. The first day was 92 degrees, hot and humid as it normally is here. We all drenched ourselves in sweat and sweet fellowship! Just think how please the Lord must be to see the body of Christ help each member in their burdens and fulfill the law of Christ! We are very thankful for their labour of love!

Thanks to all who pray and support us!

Yours faithfully,

The Greg Davis Family
