

# The Davis Family Evangelizing Belize

February 2022

## SALVATIONS:

There were two policeman and one policewoman who professed their trust in Christ at our last meeting today (2-28-22). There were also six who made a profession the time prior. Praise the Lord for each soul delivered from the pit of hell and from the Devil! The police have been under a lot of pressure lately, and need extra prayer as they have been spread thin. Please keep them in your prayers!

## FRUIT REMAINING:

Perhaps you remember that four years ago, I shared how a drunkard named, Eliseo Cocom had trusted Christ after I gave him a Spanish Bible. Well, he is still going strong for the Lord and attends our weekly meetings at the National Security building. (Photos to the right)

## MAYOR'S OFFICE UPDATE:

The Mayor's office and City Council closed down to weekly bible devotions and prayer during the last Covid spike but recently opened. They set it up for virtual meetings and no moved to hybrid meetings. This will be a great advantage as I will be able to join remotely when we return briefly this summer to the US for our medical needs Praise God for technology in this case.

## NEW BABY:

Back in August 2021, I requested prayer for Emilio and Iris Escalante as both of them had come down with Covid. She was pregnant with her third child at the time. He was in very bad shape due to Covid. Thanks to the Lord they both fully recovered, and Iris had that baby you were praying for. The named him, Emilio Jr. Both mom and baby are doing very well. Thanks to all who pray and support us!

Yours faithfully,

The Greg Davis Family
