

The Davis Family Evangelizing Belize

March 2022

DE DIOS BOYS:

We went down to Silk Grass Belize to visit with Jo se and Caleb. I used to pick them up weekly for church for a couple of years before they moved to Silk Grass. I took them to Placencia for a night. It has the nicest beach on the ocean that I have been to. It was a blessing to see how they have grown and are continuing to live for the Lord! I was able to spend these two days to encourage and further disciple them during this time.

ICE-CREAM SMILES:

We all got some ice-cream on our visit and the owner loved Juila so much she put her picture on the store wall along with other kids. Juila also got a free ice-cream for the photo shoot. So if you ever visit Placencia, look for her smile.

The first photo to the right is the house where José and Caleb live.

The next photo is the Choco boys, who are also getting big. Their store behind us in the picture is where we first started meeting for church. The oldest son, Miguel asked me for lots of tracts to had out to the other children who come for church. He did this on his own, which really blessed my heart.

The 3rd picture is of the Aberego family. They are always a blessing to be around and are always well behaved.

MIRACLE BABY BOY:

Back in my January letter, I had asked you to pray for a safe delivery for Claudia, who was due with a baby boy for March 8th. Well, things went very bad and she had to be taken to a major hospital in Mexico. She almost died. Claudia was in intensive care for seven days and then spent another seven days in the hospital. The good news is, she is now back home and reunited with her baby who is well. The husband, Raul said it was the most difficult time of his life, but God showed himself strong. Thanks to all those who prayed!

Thanks again to all who pray and support us!

Yours faithfully,
