# The Davis Family Evangelizing Belize

## HOSPITAL OUTREACH:

I had stopped at a car wash in Mexico. While there, I gave the workers some Gospel tracts. It was a family owned and operated business. I brought up the topic of our Lord and Savior is Christ to witness to them. It turned out that they were Christians. In fact, they had an outreach to a local hospital every Monday. We ended up having great fellowship and I asked them if I could come join them for their hospital outreach. They were delighted and honored that I wanted go.

They also feed over 70 people there each week. We went with them to buy food, prepare it, and then went and ministered with a number of other Christians. I brought my guitar, sang, passed out tracts, prayed, and witness to all those that were open. It was a great encouragement to them and us. Since then we have been in touch regularly.

All is going well in Belize.

Please pray for the upcoming Trade show that brings in people from over the whole country. We will be evangelizing and distributing tracts there as we have done since 2016.

Thanks to all who pray and support us!

Yours faithfully,

The Greg Davis Family
